

CareerHub Access for Alumni beyond 2 years of course completion

UTS Students who have completed their studies more than 2 years ago can request access to CareerHub as a UTS Alumni user. Applications for CareerHub access are generally processed within 2 business days.

To activate or reset password for your UTS alumni email account, please visit <https://www.alumni.uts.edu.au/myUTS-login> or email alumni@uts.edu.au for assistance

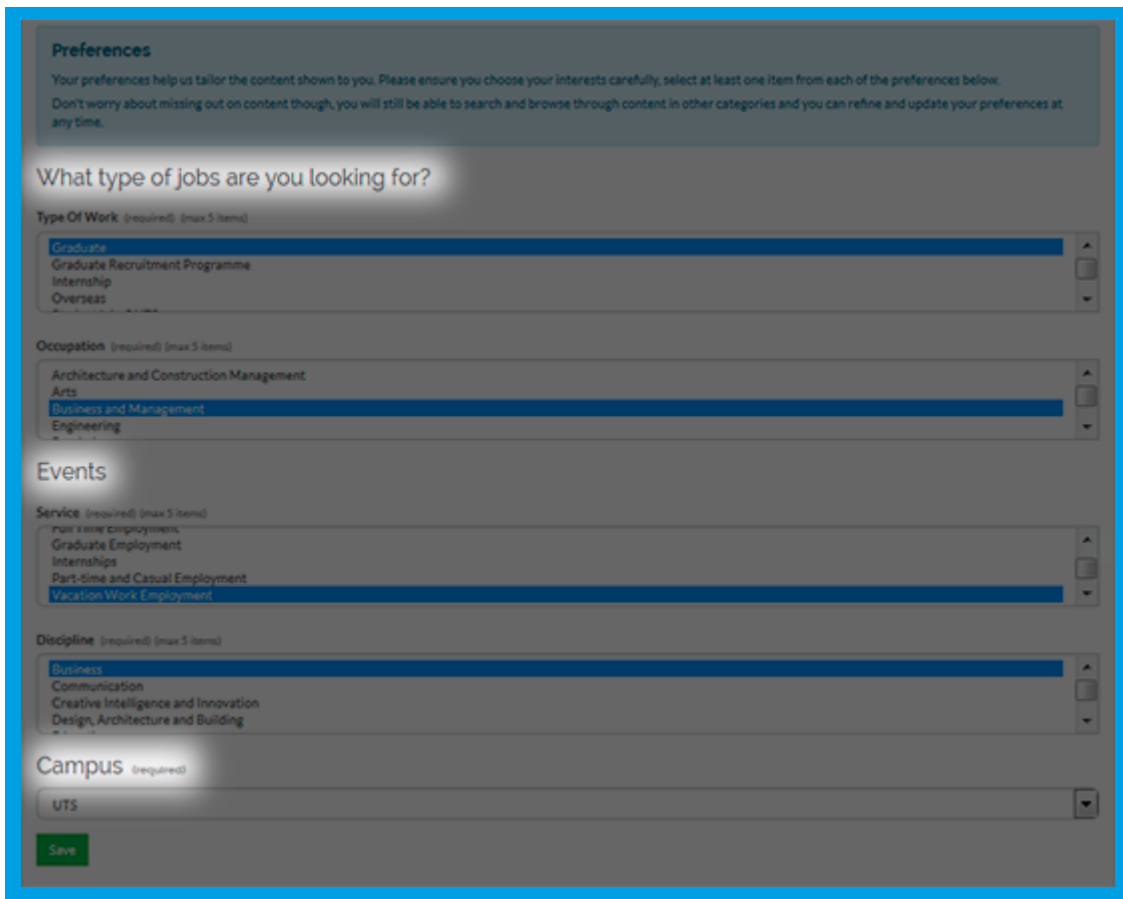

If you do not know your UTS student number please contact the Student Centre <http://www.uts.edu.au/current-students/contacts/general-contacts#student-centres>

1. Open a [web browser](#) and navigate to <https://careerhub.uts.edu.au/students/login>

2. Enter your [UTS Student number](#) and [password](#), then click [login](#)
3. Select [Alumni](#) when prompted.
4. Complete the application process by entering your personal contact details
5. Read and accept the CareerHub Terms and Conditions, then click [Register](#)

6. Your account will now be pending approval from an administrator. Approvals are usually processed within 2 business days with notification on your application status sent to the email address you provided in Step 4
7. Navigate to <https://careerhub.uts.edu.au/students/login> Enter your [UTS Student number](#) and [password](#), then click [login](#)
8. [Login](#) to your account and [set your preferences](#) regarding what type of jobs you are looking for, what events you would be interested in and what campus you study at when prompted, then click [Save](#). This information will be used to customise your CareerHub experience and target jobs matching your preferences, so please keep this up to date.

Preferences

Your preferences help us tailor the content shown to you. Please ensure you choose your interests carefully, select at least one item from each of the preferences below. Don't worry about missing out on content though, you will still be able to search and browse through content in other categories and you can refine and update your preferences at any time.
